

Kondanani Zambia Inc. is a charity that supports children who are orphaned, vulnerable and disabled in Zambia. The name means 'Love for Zambia'.

The founders, Jenny & John Preston, seek to express this love through different avenues:

- 1/ They support Zambia Open Community Schools (ZOCS) and CHODORT Skills Training Centre, Choma.
- 2/ Gifts can be purchased on behalf of communities in Zambia through the catalogue 'Chipo 4 Life'. Special gift cards will be provided to the donor for each gift, with information about that project and Kondanani Zambia Inc.
- 3/ They communicate, in order to raise awareness, of what life is like in Zambia, especially for children.

Kondanani monitors regularly visit Zambia to meet with the villagers, the staff at ZOCS and CHODORT and to monitor the projects.

Jenny & John are available to speak at churches, community events or schools on the wonderful transformations that are taking place in Zambia due to the generosity of many Australians.

Buying a 'Chipo' - how it works!

'Chipo' means gift in Tonga, a tribal language of Zambia
